

# Running late?

RE: Tardy Policy

## Parents/Guardians,

If your child arrives at 7:51 or later, they are considered tardy.

If your child is tardy, you must park and walk your child to the office to explain why they're arriving late.

No tardy student should come to the front office without either a parent present or a note stating why they are late!

If circumstances like having a small child in the car or issues like a disability prevent you from accompanying your child to the office, we will accept a written explanation.
