

5th Grade Supply List

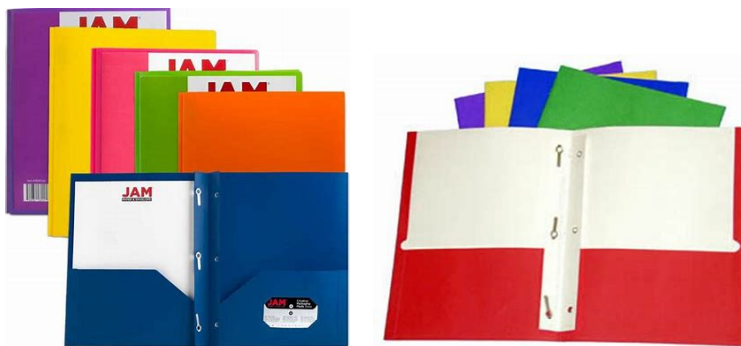

All supplies can be found and purchased at Dollar Tree or 99cent Store. However, there are many great sales going on this time of year that you will probably be able to find even better prices at stores such as Target, Walmart, Staples, or Office Depot.

Needed

- 4 Spiral/composition notebooks (one for each subject: Math, Science, ELA and Writing). I would recommend getting 7 to have a replacement when they fill up their main subject notebooks halfway through the year. (Unused notebooks can be saved for the following year. Usage depends on the number of pages and size of the notebook purchased as well as the handwriting of each student. You know your student best. If they write very big then they will use more pages.)

- 2 Paper/Plastic folders (with pockets and three prongs)- For take-home work and/or homework assignments. One for Math and one for ELA.

- Scissors
- Glue stick
- Highlighter
- Dry erase marker

Optional (these supplies will be provided in class, but is recommended that your student bring their own)

- crayons, markers, OR Colored Pencils
- ruler
- pencils
- erasers

Class Donations

- Tissues
- Wipes (Disinfectant and baby)
- Hand sanitizer
- Dry erase markers
- Pencils (Ticonderoga)
